Who We Are

Kingsbridge Heights Community Center serves approximately 4,500 families annually, mainly low-income and immigrant households, in three primary programs - Early Childhood, Youth, and Adult & Family Services. We provide high quality programs for special needs (ages 5-25), sexual abuse treatment/prevention, after school, summer camp, teens/'tweens, college preparation, ESOL/citizenship, pre-Kindergarten early childhood education, and garden and nutrition education.

These programs offer much needed support to the children and families in **our community**. Education remains elusive for many families in the Bronx, as nearly 30% have no high school diploma. Language is a major challenge for parents looking to enroll in school. Spanish is the primary language spoken at home in 54.5% of households.

KHCC provides resources to empower Bronx residents from cradle to career to advance education and well-being for a vibrant community. We achieve this in an environment that fosters academic milestones, literacy, mental health support, nutrition, technology, and the arts.
