AT KINGSBRIDGE HEIGHTS COMMUNITY CENTER

VOLUNTEER IN THE BRONX!

Make a difference in New York City's most overlooked borough. Bring your employees to the Bronx for an unforgettable day of volunteering at KHCC.

Many of our corporate volunteers have never been to the Bronx before! If they have, it is often for a Yankees game or to the Zoo. Be a part of the work of a thriving community center over 50 years old where program participants embody resilience and hope every day.
